ICSWHK2015 - International Conference on Solid Waste: Knowledge Transfer for Sustainable Resource Management 19-23 May 2015, HKCEC, Hong Kong

Abstract Submission Invitation

"International Conference on Solid Wastes 2015: Knowledge Transfer for Sustainable Resource Management (ICSWHK2015)"

Dear Colleagues/Friends,

Currently the abstract submission is open and we cordially invite you submit the abstract. The submission deadline for abstract **has been extended to 31 Dec 2014** due to a number of overwhelming requests by our participants. Please submit an abstract of about 500 words via the conference website before the deadline. More details of the conference can be obtained from <https://arcpe.hkbu.edu.hk/conf2015/>. Some highlights of the conference are presented below:

Key Dates:

- **31 Dec 2014** Submission deadline for abstract of about 500 words via conference website
- **31 Jan 2015** Early bird registration deadline
- **15 Feb 2015** Notification of acceptance of abstracts for presentation
- **15 Mar 2015** Submission deadline for full papers

Confirmed Keynote Speakers (More to be added)

- Prof. Umberto Arena, Second University of Naples, Italy
- Prof. Thomas H. Christensen, Director, 3R • Residual Resources Research, Technical University of Denmark
- Dr. Luiz Diaz, President, CalRecovery Inc, CA, USA
- Prof. Klaus Fricke, Technical University of Braunschweig, Germany

- Prof. Michael Nelles, Director, Deutsches BiomasseForschungsZentrum (DBFZ), University of Rostock, Germany
- Prof. Ashok Pandey, CSIR - National Institute for Interdisciplinary Science and Technology, India
- Prof. Rao Y. Surampalli, USEPA, USA
- Prof. Rajeshwar D. Tyagi, National Chair Professor, I, Canada
- Prof. Nickolas J. Themelis, Chair, Global Waste-to-Energy Research and Technology Council, Columbia University, USA
- Prof. Shin-Cheng Yeh, Deputy Minister, Environmental Protection Administration, Taiwan

Pre-Conference Workshops

- Food Waste Management (Prevention and Treatment Technologies)
- Advanced Thermal Treatment Technologies

Field Visit

Half/Full day field trips to the following proposed sites:

- Sludge treatment facility
- EcoPark
- WENT landfills
- Shatin refuse transfer stations
- Ngau Chi Wan park

Other Highlights

- International Young Waste Researcher Award: US\$2,000 cash prize with free registration
- Three 'Best Poster Award': US\$300 cash prize each
One Student Best Poster Award: US\$300 cash prize
- Financial aid (Partial/Full) to attend the conference (Limited Quota and merit basis)
- Full papers published in Conference Proceedings
- Selected papers published in SCI Journals including Bioresource Technology and Environmental Technology.

Discount for Group Registration

- Group registration of **4** participants will receive an exemption of registration fee for one of the members in the group

Submit your abstract at <https://arcpe.hkbu.edu.hk/conf2015/indexctr/papersubmission>

Direct your queries at icswhk@hkbu.edu.hk

Conference Brochure can be downloaded at (also attached)
